Hi

Im following up on my earlier email regarding image GEDHCF.

I have not received a response, or payment for the image used.

To prevent any further action such as:

The matter may be referred to our Legal team to pursue in the Small Claims Court

The matter may be referred to a collection agency

We will hand the case back to the photographer who owns the copyright and they can pursue this through their own channels

Please get in touch to confirm you have the correct license or to pay the invoice. If you believe that a license is not required please let me have the full details.

Feel free to contact me if you have any questions.

Thanks,
Arunlal
